PRAYING "THE WATCH"

Father In The Name of Jesus,

We thank you this evening for bringing us into the second watch of the night. We exalt You and lift Your name on high. You are worthy to be praised and worshiped. We thank you for your help and protection from the enemy. As we will look to You for your help, we proclaim that You are our great protector. You stand by our side both day and night to protect our souls from every danger.

We thank you for delivering us from every temptation, trial and tribulation that comes our way. As we speak the Word of God this evening, we give voice to your Word. As we give voice to Your Word, Your mighty warrior angels that excel in strength hear us and carry out Your commands. You are our faithful God that watches over your Word to perform it.

Father, we know that you hear and will answer our prayers according to Your Word. Give us ears to hear your voice and hearts to obey You completely. Thank you for being our Passover Lamb Jesus. You are the Door by which we enter in and find rest for our weary souls. As we enter in the Door the blood on the doorpost signifies the blood that you shed on Calvary for us. We rejoice that we belong to You Jesus and that You are our Redeemer. It is through Your precious blood that we are sanctified and we draw near to the Father.

As we enter boldly into the Holy of Holies on this evening, we ask you Father to bless us and favor us with divine transfer. As we prepare for deliverance Lord, give us favor with our enemies that we will not leave out empty handed. Fill our bags and purses with the treasures of the land. Whatever we ask for it shall be given unto us in this hour. We strip the enemy of all his wealth. We rejoice that the wealth of the sinner is stored up for those who are right with You God.

Thank you for Your prophetic dreams, open visions, divine revelation, wisdom and understanding during this watch. We thank you for the angels that are ascending into heaven with our prayers and descending onto earth with our answers. Just like Daniel, we know that you hear our prayers Father and we wait in faith for you to answer. Our faith is

	<p>being sure we will get what we hope for. It is being sure of what we cannot see with our natural senses.</p> <p>Help us Lord to move past our natural senses and operate in our spiritual senses. Our senses are trained by practice to distinguish between what is morally good and what is evil. Give us mouths, that speak your Word and eyes that see Your revelation. Give us ears that hear Your truth and a nose that can smell the sweet aroma of sacrifice. Hands that handle the Word of Life skillfully. Grant me feet that run fast like a deer and tread on my high places. May my voice be lifted up to sing of the goodness and majesty of the Lord.</p> <p>Help us Lord to not fall into temptation during this hour. Our spirit is willing to do what is right but our flesh is weak. Strengthen us Father to not be weary, but to press through in prayer and supplication. Thank you for Your joy because we know that the joy of the Lord is our strength. Your word says that You give power to the tired and worn out, and strength to the weak. Lord, you are my strength, my song, and my salvation. You are my God, and I will praise and exalt You forevermore!</p> <p>Amen</p>
