FOURTH WATCH | DAWN/EARLY MORNING

3AM – 6AM

DELIVERANCE AND RESURRECTION

**\*LAST NIGHT WATCH\***

3AM – 4AM – HOUR ONE;

4AM – 5AM – HOUR TWO;

5AM – 6AM (HOUR OF TRANSITION)

A time for Declaring God's Word. (Job 22:27-28) most heightened amount of satanic and supernatural activity. This is the watch that is also known as the witching hour or devil's hour.

Spiritual beings such as demons, ghosts and angels are thought to appear and be most visible during this time because the veil in the spirit realm is thinner during the hours of 3am and 4am. It is very important that those who have been assigned to this prayer watch will take their position to pray. This is the time in which deep sleep falls upon man and there is less praying going forth. The scriptures tell us that while man slept, the enemy came and sowed tares among the wheat, and went his way. This is also the time of night when Jesus disciples were out on the water toiling and thought they saw a ghost.

- To release judgment on the wicked, for that kingdom of darkness, is heightening its activities.
- Command your morning to establish order and find favor and blessings.
- To pray for divine protection.

	<p><u><i>The hour between 3am – 4am is known as the witching hour. It is during this hour that people are more likely to see ghost or sense a heavy presence of spiritual beings. It is right before the breaking of dawn, around 5am that the workers of darkness cease their activities before the dayspring or breaking of dawn comes forth to shake out the wicked.</i></u></p> <p>Testimonies of former witches that have to been converted to Christianity tell of their experiences where when they went out of their bodies on witchcraft assignments through astral projection, they had to return into their bodies before 6:00 AM, otherwise they wouldn't have been able to. This is because they would have been shaken out by the dawn's light according to the Book of Job. The Book of Ecclesiastes talks about the silver cord of life that snaps. You will hear many witches and new age practitioners speak about this cord while they practice astral projection.</p>
